

REGARDING JJCPA FUNDING

To Whom It May Concern,

I have been working in collaboration with the JDRC for three years as the Dean at Reid Continuation High School. From my experience the JDRC plays an invaluable role in supporting our students and creating a safe and civil environment for all stakeholders. The Probation Department enhances public safety on our campus and effects positive behavioral change.

This current school year Rosalina Zurita, our deputy probation officer, has been an invaluable asset in supporting our staff and students and working to cultivate positive change on our campus. Our school-based supervision team works in collaboration to provide students with the support and resources they need to succeed.

Thank you,
